

Town of Blacksburg 2006 Calendar

Call to Artists

Blacksburg artists are invited to submit their work for the Town of Blacksburg 2006 Calendar which will celebrate local artists in our great town. This is a wonderful opportunity to highlight the visual arts in our area and make your work accessible to a wide audience. Artists are invited to submit **up to three** samples of work for consideration. Work does not need to have a specific theme, but we ask that submissions be suitable for all viewing audiences.

How to Apply

To be eligible, artists must be residents of Blacksburg and age 18 or older. All media are welcome. Each submitted image will be considered for inclusion in the calendar.

Submissions must be received by Friday, October 7, 2005 and must include the following:

1. A typed or handwritten submission form.
2. No more than three works of art. Works must be submitted as high resolution (300 dpi) digital files on CD. JPEG or TIFF formats to be viewed on any computer are preferred. Artists may also submit high quality slides. Slides will be scanned for use in the calendar.
3. All submissions must be clearly labeled with:
 - Entry Number
 - The artist's name as it will appear in the calendar
 - Title
 - Date
 - Dimensions
 - Medium
 - Indication of the top of the work.
4. A self-addressed stamped envelope so slides and CDs may be returned to the artist.
5. A short paragraph about the artist.

Additional Guidelines

Each submission will be considered individually for inclusion in the calendar. The Community Relations Office will contact the artist of a selected work if additional views or information are needed. Notification of acceptance will be sent Monday, October 31, 2005. Submissions not selected for the calendar will also be returned at this time.

Works selected for the 2006 calendar will not feature sale prices. Please do not include prices with your entries. All works must be original and done without supervision by the artist. Submission of work indicates permission to reproduce the work and/or details of the work in the 2006 Town of Blacksburg calendar.
